Chennai, India | neha.iyer.dev@gmail.com | +91 93456 78901 | linkedin.com/in/nehaiyer | github.com/nehaiyer

PROFESSIONAL SUMMARY

Detail-oriented Frontend Developer with 4 years of experience building type-safe, design-system-driven interfaces using React, TypeScript, and Tailwind CSS. Passionate about accessibility, component reusability, and clean, maintainable code.

TECHNICAL SKILLS

Languages: TypeScript, JavaScript, HTML5, CSS3

Frameworks/Libraries: React.js, React Hook Form, Zustand, React Query

Styling: Tailwind CSS, Radix UI, shadcn/ui, Framer Motion

Tools: Vite, ESLint, Prettier, Git, Storybook, Cypress

PROFESSIONAL EXPERIENCE

Frontend Developer — Northstar Fintech

Chennai, India | Feb 2022 – Present

- Built a fully type-safe design system in React and TypeScript, adopted across 6 product squads.
- Implemented Tailwind CSS utility-first styling, reducing CSS bundle size by 45% compared to prior SCSS setup.
- Developed accessible form components with React Hook Form and Zod validation, cutting form-related bug reports by 50%.
- Wrote end-to-end tests with Cypress, catching regression issues before releases across 3 major features.

Frontend Developer — Quanta Labs

Chennai, India | Jul 2020 – Jan 2022

- Converted Figma designs into responsive React components styled with Tailwind CSS.
- Integrated REST and GraphQL APIs using React Query for caching and background refetching.

PROJECTS

PortfolioX — Component Library | React, TypeScript, Tailwind CSS, Storybook

- Published an open-source component library with 25+ accessible, themeable components.
- Documented usage examples in Storybook and published to npm.

EDUCATION

B.Tech in Computer Science and Engineering — Anna University

Chennai, India | 2016 – 2020

CERTIFICATIONS

TypeScript for Professionals (Udemy) • Frontend Web Development — Coursera
