

Sneha Joshi

Data Analyst — SQL & Tableau

Pune, India | sneha.joshi.data@gmail.com | +91 98901 23456 | linkedin.com/in/snehajoshi | github.com/snehajoshi

PROFESSIONAL SUMMARY

Data Analyst with 4 years of experience turning raw business data into actionable insights using SQL, Excel, and Tableau. Skilled in building executive dashboards, performing cohort and funnel analysis, and partnering with stakeholders to drive data-informed decisions.

TECHNICAL SKILLS

Languages/Query: SQL, Python (pandas), DAX

BI & Visualization: Tableau, Power BI, Excel (Advanced)

Data & Warehousing: PostgreSQL, Snowflake, Google BigQuery

Other: A/B testing, cohort analysis, statistical reporting

PROFESSIONAL EXPERIENCE

Data Analyst — Marketpulse Retail

Pune, India | Feb 2022 – Present

- Built and maintained 15+ Tableau dashboards tracking sales, inventory, and customer retention for leadership.
- Wrote complex SQL queries against a Snowflake data warehouse to support weekly business reviews.
- Conducted cohort and funnel analysis that identified a checkout drop-off issue, leading to a 12% conversion lift.
- Automated recurring Excel reports with Python/pandas, saving the analytics team roughly 8 hours per week.
- Partnered with marketing and product teams to design and analyze A/B tests on promotional campaigns.

Junior Data Analyst — Clearwave Insights

Pune, India | Jul 2020 – Jan 2022

- Cleaned and validated large customer datasets in Excel and SQL for monthly reporting.
- Created Power BI dashboards for internal operations tracking.

PROJECTS

Retail Sales Forecasting Dashboard | SQL, Python, Tableau

- Built a dashboard combining historical sales data with a simple forecasting model to guide inventory planning.

EDUCATION

B.Sc. in Statistics — University of Pune

Pune, India | 2016 – 2019
