

Rahul Bhattacharya

Data Scientist — Python & Statistical Modeling

Kolkata, India | rahul.bhattacharya.ds@gmail.com | +91 97890 12345 | linkedin.com/in/rahulbhattacharya |
github.com/rahulbhattacharya

PROFESSIONAL SUMMARY

Data Scientist with 4 years of experience applying statistical modeling and machine learning to solve business problems in retail and telecom. Strong foundation in hypothesis testing, regression, and communicating findings to non-technical stakeholders.

TECHNICAL SKILLS

Languages: Python, SQL, R

Libraries: pandas, NumPy, scikit-learn, statsmodels, Matplotlib/Seaborn

Techniques: Regression, hypothesis testing, clustering, time-series analysis

Tools: Jupyter, Git, Tableau, Airflow, AWS (S3, Redshift)

PROFESSIONAL EXPERIENCE

Data Scientist — Signalworks Telecom

Kolkata, India | Jun 2022 – Present

- Built a customer churn prediction model using scikit-learn, improving retention campaign targeting accuracy by 22%.
- Performed statistical hypothesis testing to evaluate the impact of pricing changes on subscriber churn.
- Developed time-series demand forecasts for network capacity planning using statsmodels.
- Presented findings and recommendations to senior leadership through clear visual reports built in Tableau.
- Built and scheduled data pipelines with Airflow to keep models refreshed with the latest customer data.

Data Analyst — Brightpath Retail Analytics

Kolkata, India | Jul 2020 – May 2022

- Analyzed customer purchase data with SQL and Python to identify cross-sell opportunities.
- Built segmentation models using k-means clustering to guide targeted marketing campaigns.

PROJECTS

Customer Lifetime Value Model | Python, scikit-learn, pandas

- Built a CLV prediction model used to prioritize high-value customer retention efforts.

EDUCATION

M.Sc. in Statistics — Indian Statistical Institute

Kolkata, India | 2018 – 2020

B.Sc. in Mathematics — University of Calcutta

Kolkata, India | 2015 – 2018

CERTIFICATIONS

IBM Data Science Professional Certificate • Applied Data Science with Python — University of Michigan
