

Kavya Reddy

Business Analyst — Data & Reporting

Hyderabad, India | kavya.reddy.ba@gmail.com | +91 96901 23478 | linkedin.com/in/kavyareddy | github.com/kavyareddy

PROFESSIONAL SUMMARY

Business Analyst with 5 years of experience bridging business stakeholders and data teams. Skilled in requirements gathering, KPI reporting, and building self-service dashboards that help cross-functional teams make faster, data-driven decisions.

TECHNICAL SKILLS

Query & Analysis: SQL, Excel (Advanced), Python (pandas)

BI Tools: Power BI, Tableau, Looker

Business Skills: Requirements gathering, process mapping, KPI design

Other: Jira, Confluence, stakeholder management

PROFESSIONAL EXPERIENCE

Business Analyst — Novara Insurance Group

Hyderabad, India | Mar 2021 – Present

- Gathered and documented reporting requirements from 6 business units, translating them into Power BI dashboards.
- Defined and tracked 20+ KPIs across claims processing, customer service, and underwriting operations.
- Wrote SQL queries against an Azure SQL warehouse to support ad-hoc analysis requests from leadership.
- Led process-mapping workshops that identified bottlenecks, contributing to a 15% reduction in claims processing time.
- Trained business users on self-service Power BI reporting, reducing recurring ad-hoc report requests by 40%.

Junior Business Analyst — Trestle Consulting

Hyderabad, India | Jul 2019 – Feb 2021

- Supported reporting for client engagements using Excel and Tableau.
- Documented business requirements and created process flow diagrams for internal projects.

PROJECTS

Claims Operations Dashboard | Power BI, SQL, Excel

- Built an end-to-end operations dashboard tracking claims volume, turnaround time, and SLA compliance.

EDUCATION

MBA in Business Analytics — ICFAI Business School

Hyderabad, India | 2017 – 2019

B.Com — Osmania University

Hyderabad, India | 2014 – 2017
